Yes, and my apologies. Not sure how it slipped. You absolutely can supply new graphics. Can you get me something by Friday, before noon?

You can use the half page anytime during the year. Traditionally it has been used to congratulate the winners but we don't require that you use it in this issue. That is up to you.

Hi Dawn,

I don't think we had info on this. Can we still submit for next week? I'd like to have Kevin refresh it.

Hi Henna,

I was just looking at our layout for next week and realized we didn't have space reserved for you in the issue. Did you want to use your half page for the sponsorship next week, or use it at

another date?

I think Michael is reaching out to you as well.

I am attaching a screen capture of the ad that was provided last year.
